

Watercolour Creative Contest: Printed watercolour promotion set 2025

Data sheet

Thank you for your interest in the Schmincke Creative Contest. We are delighted that you are enriching our competition with your unique entry and thereby demonstrating how inspiring Schmincke watercolours are for you.

To ensure that your contribution can be printed on the Schmincke watercolour promotion set, we have compiled everything you need to know as follows.

In general:

- Please create your picture in the above-mentioned size of the metal set of 255 x 106 mm (or equivalent proportions).
- Bear in mind that the metal painting set has 4 mixing panels (on the back of the cover) and therefore the motif may appear slightly distorted.
- We will integrate the Schmincke logo (owl) in black or white on the left-hand mixing panel during the pre-press stage. So please also consider this space when creating your artwork.

Your contest submission in 4 steps:

www.schmincke.de/en/contest/watercolour-creative-contest
