

50 503 primer for pastels

product name:

- Primer for pastels.

contains:

- Pure acrylate dispersion.

basic information:

- Primer for working with pastels on greaseless surfaces like canvas, wood, card board or paper (> 350 g/m²).

characteristics:

- cream white
- opaque
- rough
- matt
- elastic
- light-resistant and non-aging

handling:

- Shake well and stir – if necessary – before use.
- *Primer for pastels* is water mixable, but dries up to a water-insoluble film.
- The product is ready to use for the application with a paint roller. For working with a brush please dilute with max. 20 % water.
- Please clean working tools as soon as possible with water or water and soap.
- Please don't use the product below temperatures under 10 °C object- and room-temperatures.
- Allows wiping, rubbing and mixing of several pastel layers. Ideal for mixing techniques with water-colours, gouache or acrylic colours.
- Close immediately after use.
- Store in a cool and dry place.
- Protect from frost.
- Individual pre-tests are required (see footer).

product labeling:

- Please refer to the individual safety data sheet on our website www.schmincke.de.
