

50 725 AQUA pasto

product name:

- AQUA pasto.

contains:

- Gum arabic, water.

basic information:

- Medium for water-colours to achieve slightly structures with gloss.

characteristics:

- Reduces colour flow
- improves gloss
- retards drying.

handling:

- Stir – if necessary – before use.
- *AQUA pasto* is ready to use.
- It should be applied with a pallet knife onto the painting ground after being mixed with water-colours.
- The product may never be put directly into the pans. Always use a separate palette for mixing!
- Suitable for techniques with spatula in moderate layers. (Attention: layers which are too thick might crack!)
- Suitable grounds: water colour papers or grounds like canvas, wood or card board prepared with *AQUA primer, fine 50702* or *AQUA primer, coarse 50703*.
- Final treatment with *universal varnish, matt 50594* avoids tentative stickiness of the surface.
- The product is water mixable, but remains water-soluble like a water-colour.
- Please clean working tools as soon as possible with water or water and soap.
- Close immediately after use.
- Store in a cool and dry place.
- Protect from frost.
- Individual pre-tests are required (see footer).

product labeling:

- Please refer to the individual safety data sheet on our website www.schmincke.de.
